

## Mariner Series Binocular Specifications

Here are the new performance/value leaders in quality marine binoculars—using ultra-strong, lightweight, polycarbonate housings instead of metal alloys. Mariner XL 7x50's cut both weight and cost without cutting corners.

- Only 31 ounces, up to 33% lighter than other waterproof models
- 100% waterproof and they float\*
- Extra long eye relief—18mm-plus foldback eye cups
- High strength, impact-resistant polycarbonate housing
- Compass-equipped model has built-in LED nightlight
- Fujinon's limited warranty
